Notes:

- **Organ transplants** that are not available in a Blue Distinction Center for Transplants must be performed in a facility with a Medicare-Approved Transplant Program for the type of transplant anticipated. Transplants involving more than one organ must be performed in a facility that offers a Medicare-Approved Transplant Program for each organ transplanted. Contact your local Plan for Medicare's approved transplant programs.
- If Medicare does not offer an approved program for a certain type of organ transplant procedure, this requirement does not apply and you may use any Preferred facility that performs the procedure. If Medicare offers an approved program for an anticipated organ transplant, but your facility is not approved by Medicare for the procedure, please contact your Local Plan at the customer service phone number appearing on the back of your ID card.

You Pay

Preferred: 30% of the Plan allowance (deductible applies)

Non-preferred (Participating/Non-participating): You pay all charges

Note: Your provider will document the place of service when filing your claim for the procedure(s). Please contact the provider if you have any questions about the place of the service.
